

Leadership for Psychiatrists

Brief course overview

This one day course will describe and develop essential leadership skills and concepts as relevant for the continuing professional development of practicing psychiatrists, including consultants, SAS doctors and senior trainees.

Topics

The day will be divided into 4 sections, each led by a relevant specialist in the field. Varied learning methods will include workshops, case studies, seminars and group discussion.

Who should attend?

Psychiatrists who currently work, or intend to work, in roles with leadership responsibilities.

Certification

A certificate of attendance will be provided to attendees.

Who will teach it?

This course will be led by Dr Richard Whale, Principle Lecturer and Consultant Psychiatrist, and taught by specialists from relevant disciplines.

Where and when will it run?

Wednesday 12th December 2018
9.30am - 4.30pm
University of Brighton, Falmer Campus,
Brighton BN1 9PH

How much will it cost?
